

# PATAGONIAN SCALLOPS

(Zygochlamys Patagonica)

WILD CAUGHT ~ FROZEN AT SEA

Harvested from the cold Antarctic waters of Argentina, Wanchese Patagonian Scallops are highly prized by chefs for their sweet, succulent flavor. These scallops are 100% natural, wild caught, frozen at sea, and available year round.

MSC Certified

# PATAGONIAN SCALLOPS

Wanchese is the pioneer of the Patagonian scallop fishery of Argentina – a fishery certified as meeting the Marine Stewardship Council's environmental standard for a well-managed and sustainable fishery. Today we continue to be the leading producer of this scallop found nowhere else in the world.
